

# We Are the Vineyard

379

1. We are the vine-yard God has tend-ed;  
2. Wait-ing and watch-ing, God di-rects us,  
3. Formed in a fam-'ly, God's own mak-ing;  
4. Here at the har-vest, love is liv-ing;

We are the field that God has tilled.  
Work-ing with ten-der lov-ing care.  
We are the branch-es, Christ the vine.  
This is the life, for young and old.

All our di-vi-sions God has mend-ed;  
Heal-ing and help-ing, God pro-te-cts us;  
Wheat will be bun-dled, ground for bak-ing;  
Here at the ban-quet God is giv-ing;

We are as one as God has willed.  
Day af-ter day, his hand is there.  
Grapes will be gath-ered, crushed for wine.  
This is the King-dom long fore-told.

Lord, let us know what is right from wrong;

God, help us grow to be free and strong.
