

Fourth Sunday of Advent

A THOUGHT FOR SUNDAY

As we draw near to Christmas we contemplate Our Blessed Mother, who by her “Fiat” made the Incarnation and our Salvation possible.

The Good Lord made His Mother perfect - and because He made her Perfect, we have the honor of knowing that all of creation was not entirely a mess - there is one creature that got it right, and lived her entire life impeccably, as we were all supposed to!

Being the opposite of Eve, Our Blessed Mother gives us hope.

“The fall came through a woman,” says St Laurence of Brindisi, “through a woman, salvation. Ruin was wrought by a bad angel, restoration by a good.”

Eve listened to Lucifer and the world was lost; Our Lady accepted St Gabriel’s message and the world was saved.

*God bless you.

ANNOUNCEMENTS

In your last minute preparations for Christmas, do not forget to go to confession! We have confessions before every one of our Masses, there are other churches in town that have many different confession times.

The Monday and Tuesday evening talks will not be given on the week after Christmas (Dec 26 & 27)

Epiphanly is around the corner and it's time to sign up if you would like one of the priests to come bless your home with the special Epiphany Blessing. The last couple years Fr Fryar was unable to bless homes in the Camarillo area, but this year please feel warmly encouraged! To sign up, use the online form:

There's that thermometer again! Many of you have been donating little by little to the Building Fund. Last week a donor gave the donation that put our saved funds over \$400,000! May God reward you! With the end of year around the corner, if you are looking to get in a last minute tax-deduction donation, here is a challenge:
Could we get to half a million by the end of the year?
