

Septuagesima Sunday

A THOUGHT FOR SUNDAY

It has arrived. That penitential season of Lent that we long for each year!

As St. Paul reminds us in the Epistle, if we are going to win, we need to run - and not only run, but run to win.

We need to put in effort, if we are going to get results.

Lent itself is still a few weeks away. Now is the preparatory time. Some people choose to begin their penances now. Others start thinking about Lent and what they are going to do.

The important thing to note is that Lent is a time of opportunity. It is a time to “lose weight” spiritually: to lose the weight of our sins, the weight of our bad habits, the weight of our uncurbed appetites and to rise to new heights in the spiritual life. To gain love for Our Savior, to grow in charity, to grow in prayer, to grow in virtue.

Lent is a time of opportunity! Whether you decide to start now, or start on Ash Wednesday, but do start, and start well.

*God bless you,
Fr Fryar*

THE FSSPLA APP

We were kind of skeptical when we launched the FSSPLA app.

The Table had been working great and we were not so sure that needing to use a phone or tablet to communicate would go so well.

However the FSSPLA app has turned into a very lively form of communication for the FSSP of LA! Various parishioners post everything from pictures to sermons and anything in between. It is a way for us to remain in communication and even build our community and stay in touch throughout the week.

It has become more than a mere way of finding out what is happening next. It is a way for us to help each other stay close to God and think of holy things all day long.

If you haven't got the app yet, look for it on Google Play or the App Store. Just look for the FSSPLA app. It's free!
