

Fifth Sunday After Easter

A THOUGHT FOR SUNDAY

No man can truly have faith and not live by faith.

You cannot believe that you have five gallons of milk in the fridge and then go out and buy another quart. Either you believe you have plenty of milk and don't buy any, or you really don't believe that you have any milk and buy enough to get you through a couple days.

If you have faith, you have to live by it. You have to put that faith into practice by seeking and corresponding to the graces that God gives you.

If you believe in Heaven, you have to try to get there. If you believe in Hell, you have to try not to get there. It's how these things work - If you believe that after death there's one of those two choices and no other option, you need to make the choice.

Then again if you don't believe in God, or in grace, or in Heaven or Hell, then you will live as if there are none of these. Like the man who believed that a diving board was a bridge, you'd keep walking.

So when it comes down to it, yes faith is manifested by our works. But the opposite is also true: our works are a manifestation of our faith or lack thereof.

*God bless you,
Fr Fryar*

MAKE A PLEDGE!

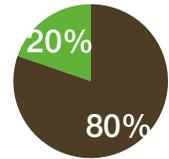

We need a church for our growing community!

Until now we have received many donations, little by little, to save up and buy a protestant church and transform it into (until now the only) fully Traditional Catholic parish in the Archdiocese of Los Angeles. A parish that will be a full immersion of the Catholic Faith in all the *extraordinary* solemnity that the FSSP passes down from the heritage of past centuries.

The Founders Campaign is to raise money to purchase our future church.

We really need pledges - promises that are not legally binding, that you will make payments each month, coming to a total amount over five years. In search for pledges we currently are promoting what we are calling *The Founder's Campaign*. The main altar will be dedicated to those who pledge in the Founder's Campaign, because of their unconditional sacrifice. There are many graces given to those who make a church possible. Please help us and make a pledge today!

HOW MUCH SHOULD I PLEDGE?

Each of us should be prudent but grateful with the money that God has given us. With that as the general rule, we should provide for the needs of our family, and then weigh the spiritual needs of our family over the wants that we otherwise would have. We could divide the levels of giving into three, and these are variable according to the finances and lifestyle of each individual rather than a specific dollar amount:

CHARITABLE: Giving the amount that you would spend on coffee or a magazine subscription each month.

SACRIFICIAL: Giving the amount that you would spend on a car payment each month - this would be the normal level of giving toward a new church.

HEROIC: Giving the amount that you would spend on a house payment each month.

If you would like to pledge toward the Founders Campaign, please contact Fr. Fryar or take a Founders Brochure from the back of the church.
