

Second Sunday After Pentecost

A THOUGHT FOR SUNDAY

What an incredible description of the world Our Divine Master gives us in the Gospel today! All the “cool” people of the world have an hundred and one things that they need to do rather than go to Mass on Sunday, while the poor, the feeble and the lame are the ones who make the effort to go.

Indeed we are the weak who need the grace and are constantly striving for perfection. We are not better than them that Our Savior invites us off the street to the banquet that was prepared for someone else! Still, let’s make the best of it, and win the favor of the King, while he has mercy toward us!

For the others, such terrible words: “They shall never taste of My supper”.

This weekend and last Thursday some of our children are blessed to receive Our Eucharistic Lord for the first time. What joy fills their hearts as they receive Him whom they have been longing to receive and preparing to receive for so long!

May that joy enkindle in us a reminder of the blessing we have to receive Him so frequently, and may we never take this privilege for granted!

*God bless you,
Fr Fryar*

MAKE A PLEDGE!

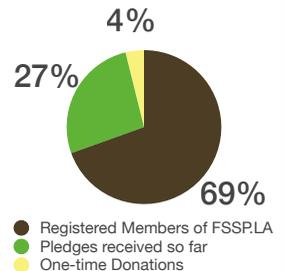

e need a church for our growing community!

Until now we have received many donations, little by little, to save up and buy a protestant church and transform it into (until now the only) fully Traditional Catholic parish in the Archdiocese of Los Angeles. A parish that will be a full immersion of the Catholic Faith in all the *extraordinary* solemnity that the FSSP passes down from the heritage of past centuries.

The Founders Campaign is to raise money to purchase our future church.

We really need pledges - promises that are not legally binding, that you will make payments each month, coming to a total amount over five years. In search for pledges we currently are promoting what we are calling *The Founder's Campaign*. The main altar will be dedicated to those who pledge in the Founder's Campaign, because of their unconditional sacrifice. There are many graces given to those who make a church possible.

Please help us and make a pledge today!
