

FEAST OF ST JOHN THE BAPTIST

THE PRIESTLY FRATERNITY OF SAINT PETER OF LOS ANGELES

A THOUGHT FOR SUNDAY

Goodbyes are always sad, even when they are joyful.

Today is a joyful yet sad goodbye. Msgr Murphy, Fr John Paul and the community of St. Victor's have been hospitable to the FSSP of LA community when we needed it most. St Victor's has been our home for three years, and many a beautiful liturgy has happened here. Memories of packing out the little convent chapel, memories of the organ shaking the church building and everything in between.. we only have good memories of St. Victor's.

Now before we turn the page and begin the new chapter, let us ask God to bless St Victor's and fill them with all good things, for everything they have done for us over these years.

God bless you, Fr Fryar
