

Lord of All Life

1. Lord of all life, Fa - ther, Most High,
2. Ev - 'ry young child, strang - er and friend,
3. As we have seen, so have we heard;
4. As you fore - told, faith would be free.

Mak - er of heaven, the stars, and the sky,
 A - ble or not, and all near their end,
 Faith has re - vived us, faith in your Word.
 As you once prom - ised, Lord, let it be.

Life that goes on, Just as it should,
 Those who are weak, bod - y and soul--
 Help us pro - tect all those who live
 Send wis - dom here, now through your Son.

Made in your im - age, "It is good."
 Send them your Spir - it, make them whole.
 That we may love the gift you give,
 Let light de - scend and make us one.

Made in your im - age, "It is good."
 Send them your Spir - it, make them whole.
 That we may love the gift you give.
 Let light de - scend and make us one.
