

THE RESURRECTION

If you play a flute, tonette or other musical instrument, practice this fifth psalm tone. Then pretend you are an angel standing at the tomb and play while the other children sing. What mood or feeling will you put into your playing and singing? Find another song in this book that has the same mood as this one. Play it on your instrument. Find a song that has a different mood. Play it. Can you tell the difference in the feeling or mood? What difference do you find in the stories?
