## A THOUGHT FOR SUNDAY

**L**ast week in this column I introduced St. Genesius as a possible patron for the future parish of the FSSP in Los Angeles. During the week on the app (if you haven't got it, get it! Search for "FSSPLA" on the App Store or Google Play) I have been posting the novena each day and inviting everyone to pray the novena together.

I also mentioned last week that the whole concept was that if we were to pray to different saints, the one that would be our patron would most certainly reveal himself by answering our prayers.

It is exciting that St. Genesius has done that! Before I suggested to the community to pray to him, I had prayed to him myself, and he gave amazing answers to my prayers.

Now, when we all prayed to him, he has begun to open doors to make our future church possible.

Within *the first three days* of the novena we received *over half a million dollars* worth of pledges toward our capital campaign!

What is interesting to note is that having looked, I have been unable to find another church in the USA dedicated to St Genesius. (If you find one, let me know!) I found one in Africa and one in Europe. How appropriate it would be that the one church dedicated to him in the USA would be in the center of the entertainment industry! It would do wonders to turn this spiritually decadent industry around and make it wholesome again!

Those of you who have been praying the novena can also see that he isn't just a patron of actors but is an example to all of us. He is a fitting patron on many levels!

Let us continue to pray to him as we push forward with this project!

*God bless you,  
Fr Fryar*

# WHY PLEDGE?

**T**he Founders Campaign is to raise money to purchase our future church. Many people have given donations over the past few years toward the Building Fund, and we have raised just shy of half a million dollars.

However we really need pledges - promises that are not legally binding, that you will pay a certain amount each month, coming to a total amount over five years.

Pledges help us because they are a form of guarantee that will help us get a loan, and the monthly payments will help us make loan payments when we get a loan. Pledges also show potential benefactors who are not part of our community that we are honestly doing our best to raise the money we need to purchase a church, so that they can also help us financially, seeing that we are doing our part.

If you would like to pledge toward the Founders Campaign, please contact Fr. Fryar
