

Eighth Sunday After Pentecost

A THOUGHT FOR SUNDAY

Youtupe has some old videos from Steve Jobs, like when he introduced the iPhone and other things. Take a look at his introduction to the iPod. He doesn't have a huge crowd, there isn't cheering, he's pretty much just trying to convince his investors and media to follow along with what he's saying. His thought is that everyone in the world listens to music. So he has come up with a product that their entire music library could fit in their pocket. And everyone in the world would want it. Now look where Apple is today.

Genius, yes. This is what Our Lord is complaining about in the Gospel - that when it comes to things of this world, people are genius. When it comes with securing their future existence after this world, people are clueless.

The sad thing is that it's not rocket science to get to heaven. You don't even have to figure out what product you could invent that would appeal to everyone in the entire world.

In the end it isn't difficult at all - you have to know how to love God, and act like you love God. That's pretty much it. And yet... people still don't get it.

Be prudent. Spiritually prudent. Because in the end it doesn't matter how you spend the next 80 years or so.. what really matters is how you will fare after.

*God bless you,
Fr Fryar*

ANNOUNCEMENTS

Congratulations to Mr & Mrs Juan and Francine Mendes on their wedding yesterday!

Because of the work involved in moving the rectory from the offices at St. Victor's, we have been unable to get the monthly Update of July out - we will send that out in the next couple days. There are also several emails that Fr Fryar has been unable to respond, that will also have to wait until he returns from retreat.

Download the FSSPLA app from the App Store or Google Play, to stay in the loop and receive the prayer requests from our members. It's a great way to be involved with everything!

MAKE A PLEDGE!

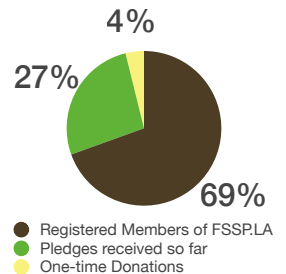

We need a church for our growing community!

Until now we have received many donations, little by little, to save up and buy a protestant church and transform it into (until now the only) fully Traditional Catholic parish in the Archdiocese of Los Angeles. A parish that will be a full immersion of the Catholic Faith in all the *extraordinary* solemnity that the FSSP passes down from the heritage of past centuries.

The Founders Campaign is to raise money to purchase our future church.

We really need pledges - promises that are not legally binding, that you will make payments each month, coming to a total amount over five years. In search for pledges we currently are promoting what we are calling *The Founder's Campaign*. The main altar will be dedicated to those who pledge in the Founder's Campaign, because of their unconditional sacrifice. There are many graces given to those who make a church possible.

Please help us and make a pledge today!
