

Música del Misal Romano

Spanish Sacred Music Workshop

Office for Divine Worship, Archdiocese of Philadelphia

Spanish Chant in Pastoral Ministry

In April, the United States Bishops published the Third Edition of the Roman Missal in Spanish. To encourage congregations and choir directors to learn the music within the “priest’s book” and join in the integral parts of the sung Mass, the Archdiocese of Philadelphia, with the help of the *Zipoli Institute* of the *Institute of the Incarnate Word*, will be offering workshops in Spanish Sacred Music.

Learn to sing the Mass while discussing pastoral considerations regarding Sacred Music.

- Learn the chants of the new Misal Romano
