

## Simplified Organ Accompaniment

This “simplified” version is for amateur organists. But if that’s all you have, you’re missing out — because the *Brébeuf Hymnal Pew Book* contains literal translations, alternate melodies, theological footnotes, and tons more. It even has color pages (!) explaining the history of Catholic hymnody going back 1,000 years. And the “hymn portal” is not to be missed. Learn more: <https://ccwatershed.org/hymn>
