

Your total donations during kalendar year 2025 were: **\$ 120**
or less.

Dear generous & brave donor:

Harvard University has an endowment of \$53.2 billion. But our public charity has no endowment; no major donors; no savings. Moreover, we refuse to run annoying ads.

Your generous donations are *literally* the only thing allowing our work to continue.

Thanks to you, our entire website remains free to all. We've refused to "monetize" our work. Therefore, on behalf of our board of directors (as well as our contributors) I thank you from the bottom of my heart.

Finally, here's a reflection from a truly great theologian of the 20th century who worked for 3 different popes:

"Liturgical music is an integral part of the liturgy itself, not merely a means to assist or enrich worship. It is worship itself, like color to sunset, like thought to the mind. Liturgical music is not *like* prayer; it *is* prayer."

Sincerely, in our Lord Jesus Christ,

Jeff Ostrowski
