BSWL 90 :
Processional lithographié par dom Joseph et dom
Alphonse Pothier, pages 22 et 23.
Date : 1873

THIS SPLENDID hymnal contains hundreds of hymns set to simple-yet-gorgeous melodies. Most of the translations are by Roman Catholic priests & bishops. We're unaware of any other book that includes such rich history; indeed, the *Saint Jean de Brébeuf Hymnal* includes English texts (!) stretching all the way back to 1599AD. — <https://ccwatershed.org/hymn>
