

ABBAT JOSEPH POTHIER

Original Sketch by Kathleen Ostrowski
(April 2025)

THIS SPLENDID hymnal contains hundreds of hymns set to simple-yet-gorgeous melodies. Most of the translations are by Roman Catholic priests & bishops. We're unaware of any other book that includes such rich history; indeed, the *Saint Jean de Brébeuf Hymnal* includes English texts (!) stretching all the way back to 1599^{AD}. — <https://ccwatershed.org/hymn>
