

At least 1,773 priests from Poland were sent to the concentration camp in Dachau. **Close to 1,000 of those priests were murdered** by the Nazis. The others were subjected to exhausting labor and pseudo-medical “experiments.”

Photograph showing a Catholic Mass in the Dachau concentration camp (1942):

**Small pipe organ?**

**I**TS EDITORS LEFT NO STONE unturned in their quest for the best versions of these ancient Catholic hymns, combing through centuries of English translations from the sixteenth century to the present day. In the process, they have revealed much little-known material, and some that is published in a hymnal for the first time. [They] navigate this difficult terrain with assurance; indeed, the editors’ explanation of the Urbanite reform and its impact on English translators is a model of clarity, and contains information this reviewer has not encountered elsewhere.
