From an unpublished manuscript by **Énemond Moreau** (d. 1979) who studied w/ Oscar De Puydt at the **Lemmensinstituut** in Belgium. This rare “choral enhancement” was rescued from obscurity by Veronica Moreno near Arsur-Formans in the summer of 2024. This edition was created with generous assistance from Jeff Ostrowski (president of CCWatershed).

Deliver us, Lord, we pray, from every evil, graciously grant peace in our days, that, by the help of your mercy, we may be always free from sin and safe from all distress, as we await the blessed hope and the coming of our Saviour, Jesus Christ.
