HAVE YOU heard the news? We moved our field office to Michigan. (Our organization remains a public charity in the state of Texas in spite of where our field office is located.) To Michigan we've moved our precious library of rare liturgical books. Believe it or not—and *I don't say this lightly*—our library is among the finest in the world & we've painstakingly scanned thousands of pages (which we've shared with you). We still have tons more we can't wait to scan & release to you! This move was quite beneficial to our organization, but we've incurred some bills that need to be paid. Over these past months, we've purchased a new security system, shelves, lights, a new printer, a new scanner, and many other items.

At the moment, **we're so desperate for funds** I just wrote a check from my personal account in the amount of \$5,255.54 to help pay our bills:

I'm not looking for sympathy or pity. I believe so strongly in what we're attempting to do, I'm not ashamed to beg. God has never failed to provide for our organization. **I'm just letting you know that we're all in this together.** We have so many generous donors—and *we're so grateful to all of you.* Please help us spread the word to those who might want to support us. If you find value in what we offer, please consider giving \$5.00 per month or an immediate gift: <https://ccwatershed.org/help/>

*Thank you
 so much!*

Sincerely, in our Lord Jesus Christ,

Jeff Ostrowski
