

Ad Cenam Agni Providi • circa 1050AD

First given in Latin, then given with the Latin “re-arranged” thereby making it easier to match the word order of the (literal) Anglo-Saxon translation.

[Cotton MS Vespasian D XII]

THIS NEW COLLECTION, with its marvelous CHORAL SUPPLEMENT and 3-volume (spiral bound) ORGAN ACCOMPANIMENT, has been described as “the peerless and indispensable resource for any parish musician serious about authentic Catholic music.” • <https://ccwatershed.org/hymn/>
