

18 June 2023 • *External Solemnity of the Most Sacred Heart*

THE LAST TIME we asked for financial help was in May of 2022. A few days ago, I noticed **we had only \$75.00 left** in the CCWatershed bank account. I immediately asked one of my choir members for help, and he generously gave \$350—but that won't last long. The fact is, I hate asking for money (even though it's one of my duties as CCWatershed president).

Urgent Need • For a variety of reasons—including the birth (four weeks ago) of our third child—I've avoided making a financial appeal. But **we need to raise \$15,000 as soon as possible**, otherwise we won't be able to go forward. This year alone, we have received 689,586 unique page views, so I believe we can meet this goal.

We Don't Waste • We try never to waste a single penny of your donations. For example, our scanner recently broke—and we've been using this machine since 2008. [You can see a picture of it on the right side.]

Please Help! • We want to continue our mission; e.g. we recently obtained an **incredibly rare version** of the *Liber Usualis*. (I only learned of its existence a few months ago.)

It's thousands of pages long, but we had it professionally scanned—which cost a lot of money. We want to release it to our readers as soon as possible. We don't want to discontinue any of our projects! For example, here's an organ accompaniment for the Easter Sequence "Victimae Paschali"—**in Latin and English**—which I just composed a few minutes ago: [Download the PDF](#) (4 pages).
